
Chapter 2

Section 319

National Monitoring Program

Project Profiles

This chapter contains a profile of each of the Section 319 National Monitoring Program projects approved as of September 1, 2009, arranged in alphabetical order by state.

Each profile begins with a brief project overview, followed by detailed information about the project, including water resource description; project area characteristics; information, education, and publicity; nonpoint source control strategy; water quality monitoring program information; total project budget; impact of other federal and state programs; other pertinent information; and project contacts.

Sources used in preparation of the profiles include project documents and review comments made by project coordinators and staff.

Project budgets have been compiled from the best and most recent information available.

Abbreviations used in the budget tables are as follows:

Proj Mgt	Project Management
I&E	Information and Education
LT	Land Treatment
WQ Monit	Water Quality Monitoring
NA	Information Not Available

A list of project documents and other relevant publications for each project may be found in Appendix IV.
